

Gorveatte Consulting Inc.

Have we met? I'm Susan!

Introductions are so important. Since we all have different backgrounds and behavioral styles, collaborating and connecting come naturally to some people; to others, not so much. Making a good introduction is easy:

- 1 Say your name
- 2 Pause
- 3 Say it again
- 4 Say something to make it stick.

Here is my Introduction:

My name is Susan Gorveatte, that's easy to remember, Gorveatte – sort of like the Car with a G!

It's a good ice-breaker and gets the conversation starting.

What's your introduction? Do you have a good one?

Caribbean Ocean Decarbonization - Current Efforts and Trends

Date: November 22, 2022 10:00 AM ET (11:00 Atlantic)

Please join the Maritimes Energy Association and Net Zero Atlantic for a webinar on ocean decarbonization in the Caribbean. Hear from keynote speaker, Racquel Moses, UNFCCC global ambassador and chief executive officer, Caribbean Climate-Smart Accelerator as well as regional stakeholders on the importance of ocean decarbonization. Other speakers will include the Caribbean Shipping Association, the InterAmerican Development Bank, and local experts from The Pier and Cove.

Our experts will discuss global trends in the sector, the pressing needs in the Caribbean decarbonization space, potential international financial institutions' support in the space, examples of work by Ports in the region to green the industry, and how to enhance public and private collaboration to create meaningful impact.
