### Free is Good!

It's not often we get something for nothing, but iso.org is still doing just that!

Did you know that the International Organization for Standardization continues to make a selection of its standards available for free during the global pandemic? This also includes the Risk Management ISO 31000. Check it out!

[Check out the standards that are available for free at iso.org](https://www.iso.org)

### Corrective Action Training? Yep, we do that!

Are you tired of seeing the same problems over and over again? Do you want to learn how to write a great problem statement? Do you want a refresher on Root Cause Analysis? What about writing corrective actions that drive improvement and add value to your organization each and every time?

Give us a call to arrange for an in-house Corrective Action Workshop offered remotely or in person.

[Do your employees need Corrective Action Training?](#)  
Don't panic, we do that! Click [HERE](#).

Did you know we only take 6 participants per class?  
Small class sizes mean more learning.

**Add your new auditor to our list.**

**NEW CLASS! March 24-25, 2022!**  
Training that is informative and enjoyable?  
No way! WAY!
