## Advice from a Galaxy Far, Far Away

*"Breathe. Just breathe" – Luke Skywalker*

### Take a Moment:

Be mindful of audit stress, it's real. A few calming breaths can be useful to help positive audit interactions, offer a moment to focus and eliminate emotional distractions.

## Meet Tyler Hayden: Motivational Keynote Speaker, Virtual Keynote Speaker, Team Building Expert & Best-Selling Author

In May, while speaking at the 2022 Atlantic Canadian Leancon Conference, I had the pleasure of meeting Keynote Speaker, Tyler Hayden. If you haven't met Tyler yet, do yourself a favour and get to know this guy!

Its' been said that Tyler is, "Canada's Answer to Alternative Energy," and if you've ever seen him on stage I'm sure you will agree. Tyler's vision is to deliver super-sized out-of-the-box fun, covered in learning awesomesauce.

Meet Tyler Up Close!

When Tyler started his team-building company in 1996, he started collecting, alongside his rubber chickens, different learning events and activities he used that inspired teams. He loved finding just the right ones to get teams working together, learning new concepts, and having fun.

This book is a collection of Tyler's favourite team-building activities, energizers, and debriefing tools. You'll find these rubber-to-the-road solutions easy to implement and categorize so that you can find the right ones to fit your team's learning profile.

You can email Tyler [here](#), tell him Susan sent you and say hello from me!

## Congratulations to DCS Controls: Successful ISO 9001:2015 Certification

For more than three decades, DCS has been a leading supplier of industrial-application filtration systems and filtration-related technologies. Now DCS Controls celebrates their achievement of ISO 9001:2015!

This certification makes DCS Controls the first-choice supplier for conventional filtration solutions. Moreover, they have an industry-leading reputation for innovation through research and development of nanofiber technologies and their applications for heavy-industry filtration and purification. The NANO™ series — available exclusively through DCS — is now in use across over a dozen industrial sectors and an ever-increasing number of industry-specific applications.

Congratulations to the team for their hard work and dedication in achieving their ISO 9001:2015 Certification.

Visit the DCS Controls Website

From their headquarters in Saint John, New Brunswick, their team is proud to work with heavy-industrials worldwide to satisfy their filtration and purification requirements. Contact them today to learn how their top-quality products and unparalleled follow-up support can be put to work for you.
