

Gorveatte Consulting Inc.

This Could be Your Lucky Day!

If I have worked with you before, you have probably heard me say: "Fail to plan, plan to fail". As Quality Professionals, I feel we have a strong sense of risk-based thinking and a strong sense of planning ahead, and this is the perfect time to think ahead.

In March, we begin to think about rainbows with pots of gold, and things that aren't normally green, are suddenly vibrant green, and they are good!

Think green milkshakes at your local burger joint, green pints at the pub, and now our lucky Shamrock discount for registering early for our Internal Audit Class.

Send an [email](#) to register your participants for the June 14-15, 2024 remote ISO 9001 Internal Audit Workshop with **SHAMROCK** in the subject line to guarantee your space and earn a lucky 10% discount.

Looking for more good luck? Gorveatte Consulting Inc. is ready to work with you every step of the way from training your new quality auditors and rejuvenating your Quality Management System. Let's see what improvements and opportunities we can find together at the end of the rainbow. Check out our free website content on our [ABOUT page](#) or [email to book a training or consulting session](#) for your company to get your lucky streak started.
