It's Time For a Break!

Winter seems like it lasts FOREVER! Soon it will be time to "March into Spring", so RELAX!

I would like to remind you today to de-stress. Please take a deep breath, relax your body, unclench your teeth and hands, and let your shoulders drop down from their hunched position above your ears. It's always surprising to me how much this makes a difference -- to let that physical stress go a couple of times a day. Breathe. It's easy to do, but hard to remember.

Please use these pictures as an escape if you need them. Whether it's kittens or palm trees, both work for me. I hope they work for you.

I thank you for subscribing to this newsletter. I couldn't -- and wouldn't -- do what I do without you.

Do you need time to relax? Gorveatte Consulting Inc. can help save you time so you have more time to relax. Let us help with your internal audits, click [HERE](#).
